## Who We Are

AviationManuals, based in the Washington, D.C. area, provides operations manuals and SMS software to fixed and rotary wing operators, drone operators, technicians, and FBOs worldwide.

Founded in 1996, the company has produced thousands of manuals and supports more than half of IS-BAO registered operators. AviationManuals' sister company, ARC, offers an affordable web and iPad based modular solution to submit, store, and analyze SMS data.

AviationManuals is a member of the National Business Aviation Association (NBAA) and a part of its Leadership Council, International Business Aviation Council (IBAC), and the National Air Transportation Association (NATA).

## MEDIA FACT SHEET

### What We Do

AviationManuals simplifies Manual Development so operators need do little more than complete short questionnaires or participate in a few online development sessions. AviationManuals provides operators the opportunity to focus on what they do best, instead of worrying about staying up to date on regulatory changes or learning document management skills.

Supporting operators worldwide, AviationManuals specializes in FAA Parts 91 and 135, EASA Part-NCC, Bermuda, Cayman, Bahamas, Aruba, Isle of Man, San Marino, Guernsey and more.

#### Manuals include:

- Flight/General Operations Manuals with SMS
- International Operations and Procedures Manuals with RVSM
- IOM Revision Service (eBulletins)
- LOAs\*
- Emergency Response Plans (ERPs)
- Minimum Equipment List (MELs)
- Safety Management System Manuals
- EFVS Operations Manuals
- FBO Manuals
